## 3 TRANSPORTATION

### 3.1 How to get TO Brno

If you are travelling from Prague/Bratislava or Vienna, the easiest way is to take the yellow Student Agency bus to Brno, Grand Hotel stop.

You will easily recognize the yellow buses. They are used to take foreign people so they speak English, on the board you have free WiFi in Czech Republic, free hot drinks (coffee, tea), and every seat has a small screen so you can watch movies, TV shows or listen to a radio.

You can buy it online by following these easy steps:

1. Go to: [jizdenky.studentagency.cz/?1](http://jizdenky.studentagency.cz/?1)
2. In the place “Station of departure” choose: Praha, Vaclav Havel Airport Prague / Vienna, Schwechat Airport Busstation / Bratislava, in the place “Station of arrival” choose: Brno
3. Change the suitable time and click on the button with the price.
4. Choose the seat number on the bus and click on “Create reservation”.
5. Continue with the payment.
6. After doing all of this, you will be able to print out your electronic bus ticket; you will also receive a confirmation e-mail. It is acceptable to show only the reservation number of your ticket, for example in your smartphone.

How to come to Brno from:

- **Schwechat Airport, Vienna** – there is a direct student agency bus from the airport to Brno. There is no ticket office at the airport so you need to buy it online. For further information go to:  
[www.viennaairport.com/en/passengers/arrival\\_parking](http://www.viennaairport.com/en/passengers/arrival_parking)

- **Vaclav Havel Airport, Prague** – from Prague airport you have to change the bus in the main bus station Florenc. The steward will guide you to the other bus. One ticket is valid for the whole journey by both buses. There is a ticket office Student Agency at Terminal 1. For further information go to: [www.prg.aero/en/parking-transport/transport/public-transit/](http://www.prg.aero/en/parking-transport/transport/public-transit/)
- **Letisko M.R.Štefanika Airport, Bratislava** – unfortunately, Student agency bus does not have a stop at the airport. You need to get by public bus number 61 (from airport to Žimni stadion) change to bus 78 (from Žimni stadion to Mlynske Nivy) to the main bus station AS Mlynské Nivy, Bratislava.  
Or you can take bus number 61 that will take you to the train station in Bratislava. For further information go to: [www.bts.aero/en/passengers/navigation/from-the-airport/](http://www.bts.aero/en/passengers/navigation/from-the-airport/)
- **Letiste Turany, Brno Airport** – there is only one bus no. 76 going directly to the main station Hlavni nadrazi. For further information go to: [www.brno-airport.cz/en/parking-and-transport/public-transport](http://www.brno-airport.cz/en/parking-and-transport/public-transport)

### Weather in the Czech Republic:

Czech Republic lies in the temperate climate zone, which is characterized by mild, humid summers with occasional hot spells, and cold, cloudy and humid winters. The average temperature in spring is every year different but generally we can say that the early spring, March and April, are still quite cold months, the average temperature in the mornings is from 0-6 degrees Celsius, the temperature during the day is better, around 8-15 degrees Celsius.

After these two cold months comes May and June. Both of these months are beautiful for its nature and flowers in every garden and park. The average temperature is 15-25 degrees Celsius, sometimes there are even warmer days in June and the thermometer can go up to 30 degrees Celsius.

If we should recommend which clothes to take with you, it would definitely be some light jacket against windy and rainy days, good quality shoes and some warm clothes for the beginning of the year.

Some of you will go to the ski trip, if so, you should take some clothes to mountains, good and warm jacket, trousers and shoes. For the warmer months it is enough to take some jeans and shorts, sweatshirts or jumpers and comfortable shoes. If you are a sportive person, take some sport clothes with you because there may be some sport events upcoming so it is always better to be prepared for some fun.
